

RENTAL HOUSING WITH AFFORDABILITY RESTRICTIONS SANTA CRUZ COUNTY

VIVIENDAS PARA ALQUILAR CON RESTRICCIONES DE INGRESOS EN EL CONDADO DE SANTA CRUZ

Note: Although the Housing Authority attempts to gather complete information on all affordable rental complexes in Santa Cruz County, this is not necessarily a complete list. Also, some complexes may not be accepting applications at this time. Finally, while many if not all complexes have some units that are accessible to persons with disabilities, some are limited to elderly or disabled applicants only, and we have noted that information if we have it.

Nota: Aunque la Autoridad de Viviendas trata de juntar toda la información sobre todos los complejos de viviendas que se alquilan a precios razonables en el condado de Santa Cruz, ésta no es necesariamente una lista completa. Además, puede ser que algunos complejos no estén aceptando solicitudes al presente. Finalmente, mientras muchos, si no todos los complejos tienen algunas unidades accesibles a las personas con incapacidades, algunos están limitados a las personas de la tercera edad o a personas incapacitadas solamente; si tenemos esa información la hemos mencionado.

MOD REHAB PROJECTS

The following complexes are under the HUD Moderate Rehabilitation program. The rental subsidy is attached to the unit. This is not the Section 8 Housing Choice Voucher program and tenants cannot take the subsidy with them to another rental. This list is a list of the addresses of Mod Rehab units and does not indicate vacancies. The owners of Mod Rehab properties must offer all vacancies first to those on the Housing Authority Section 8 Housing Choice Voucher Program waiting list before offering to others. To check the status of vacancies you must contact each complex directly at the numbers listed below.

PROYECTOS DE MOD REHAB (REHABILITACIÓN MODERADA)

Los siguientes complejos están en el programa de HUD de Rehabilitación Moderada. El subsidio para el alquiler va con la unidad. Éste no es el programa de Comprobante para Selección de Vivienda de la Sección 8 y los inquilinos no pueden llevar el subsidio a otra vivienda. Ésta es una lista de las direcciones de las viviendas de Mod Rehab y no indica que haya vacantes. Los propietarios de las propiedades de Mod Rehab deben ofrecer todas las unidades vacantes primero a las personas en la lista de espera del programa de Comprobante para Selección de Vivienda de la Sección 8 de la Autoridad de Viviendas, antes de ofrecerlas a otras personas. Para averiguar si hay vacantes debe comunicarse con cada complejo directamente llamando al número dado abajo.
