A Guide to Housing Authority Programs

How do you help renters?

The Housing Authority has a number of programs for low-income renters, including:

- ✓ The **Housing Choice Voucher** (Section 8) program allows you to select a unit to rent. With this program, renters pay about 30% of their income in rent and the Housing Authority pays the rest, within certain limits.
- ✓ The Housing Authority owns several apartment complexes, including **public housing and farmworker housing** that we rent to low-income families at affordable rent levels.
- ✓ The **Security Deposit program** makes a limited amount of assistance available in certain locations to qualified renters who just need help with move-in costs.

Our rental programs do have waiting lists. Please visit our website or call our Waiting List Line at 454-5950 to apply.

I'd like to buy a home. What special programs do you have?

The Housing Authority's first time homebuyer programs include:

- ✓ **First time homebuyer downpayment loans** for low to moderate income families. The amount and type of assistance varies by city.
- ✓ **Mortgage Credit Certification (MCC)** program, which offers a tax credit to first time homebuyers to help make the costs of homeownership more affordable.
- ✓ The Housing Choice Voucher program has a **homeownership option** that allows participants to use their voucher to purchase a home.

Visit our website or call our Info Line to find out more.

What programs are available to higher income families?
